## **D. ELIGIBILITY**

The Youth Emergency Telephone Referral Network (YT) Program must be administered by a California non-profit agency with the capacity to implement the objectives of Assembly Bill (AB) 3075 (Chapter 1614, Statutes of 1984).

For the purpose of this RFA, California Coalition for Youth is the only agency eligible to apply.

## **E. FUNDS**

### **1. Grant Award Period**

Funding for this application is for a twelve (12) month period. The grant period will begin on July 1, 2007 and end on June 30, 2008.

### **2. Funding Levels**

Grant funding is contingent upon the FY 2007/2008 State Budget Act being passed by the Legislature and signed by the Governor. OES does not have authority to disburse funds until the State budget is passed and the Grant Award Agreement is fully executed. Until such time, the recipient must refrain from incurring expenditures. Expenditures incurred prior to authorization are made at the recipient's own risk. When the executed grant is received by recipient, authorized expenditure reports (OES 201s) may be submitted for reimbursement of grant funds.

If during the term of the grant award the funds appropriated for the purpose of the grant award are reduced or eliminated by the California Legislature, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent funds are available for payment of such costs.

The FY 2007/2008 Governor's Proposed Budget is anticipated to contain \$127,000 in state general funds for the continuation funding of the Youth Emergency Telephone Referral Network (YT) Program. Specific funding amount is provided in Part II, Section B: Project Budget, of this RFA.

## **F. PROGRAM INFORMATION**

### **1. History and Purpose**

The Governor and the Legislature recognized there were many runaway and homeless youths living on the streets in California. Although there are many service agencies available throughout the state, it was difficult to let youth know of their existence and how to take advantage of the programs. Many of the youth are in need of basic life survival services such as food, shelter, clothing, health care, and counseling.

The Youth Emergency Telephone Referral Network Program was designed to help meet the problem of connecting youth in need of services with the appropriate service agency. The hotline has set up a non-threatening, toll-free number which can be accessed by youth anywhere in the state seeking assistance. The hotline has the capability to patch the caller directly into services located in the caller's area. These statewide youth services have been programmed into computers used by the hotline operator and can be referred to by locations

or type of service needed. The hotline operator can stay on the line to assist the caller with the service provider and may terminate his/her participation once the hook-up between the caller and the service provider is completed.

Another important feature of the hotline is the capability to act as a message center for parents, guardians, and/or youth who wish to communicate with each other but do not want to speak directly.

## **2. Legislative Authority**

AB 3075 (Chapter 1614 of the Statutes of 1984) legislatively established the Youth Emergency Telephone Referral Network Program (California Runaway Hotline) in the former Governor's Office of Criminal Justice Planning (OCJP); since OCJP was abolished on December 31, 2003, the legislative mandate is now the responsibility of the Governor's Office of Emergency Services (OES).

## **3. Program Criteria**

The project must be able to provide the services identified in AB 3075 (Chapter 1614 of the Statutes of 1984).

- The project shall service as a free non-threatening, telephone referral service for runaway youth directing them to available resources including shelter, meals, clothing, counseling, and other services necessary for their well-being, and to serve as a message center for the youth for parents and guardians wishing to communicate with them.
- The project shall be headquartered in Sacramento either in a facility owned or leased by the State.
- The referral service shall be publicized through print and electronic media including, but not limited to, utilization of television and radio announcements, posters, bumper stickers, and agreements, such as operational agreements, for the provision of publicity by private entities.

### Government Code Section 11139.3 (e)

A "Homeless Youth" means either of the following:

- a) A person who is at least 18 years of age, but not older than 24 years of age, and meets one of the following conditions: (i) is homeless or at risk of becoming homeless; (ii) is no longer eligible for foster care on the basis of age; (iii) has run away from home.
- b) A person who is less than 18 years of age who is emancipated pursuant to Part 6 (commencing with Section 7000) of Division 1 of the Family Code and who is homeless or at risk of becoming homeless.

## **4. Administrative Authority**

The Governors Office of Emergency Services (OES) is now the administrative agency for the Youth Emergency Telephone Referral Network Program. The role of OES is to develop, implement, and provide technical assistance to the program. These activities include

establishing policies dealing with the operation and direction of the program and monitoring the funded project.

**G. PREPARING AN APPLICATION**

**GOVERNOR'S OFFICE OF EMERGENCY SERVICES  
LAW ENFORCEMENT AND VICTIM SERVICES DIVISION**

**YOUTH EMERGENCY TELEPHONE REFERRAL NETWORK PROGRAM  
REQUEST FOR APPLICATION**

**PART II – INSTRUCTIONS**

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The recipient must use the forms provided in *Recipient Handbook, Appendices, and Forms* ([FORMS](#)) and plain 8½" x 11" white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to OES standards. If you create your own computer-generated Project and Budget pages, the format must duplicate the OES pre-formatted pages.

Copies of the application must be assembled separately and individually fastened in the upper left corner. ***Do not bind application.***

**A. PROJECT NARRATIVE**

***Please Note:*** A progress report must be submitted to the YT Program Specialist by the due date. Please see the most updated copy of the progress report found as *Attachment A*.

The project narrative is the main body of information describing the problem to be addressed, the plan to address the problem through appropriate and achievable objectives and activities, and the ability of the recipient to implement the plan.

**1. Problem Statement**

Please update the problem statement to make it current to the current issues affecting this population.

**2. Plan and Implementation**

Please update this section for the current fiscal year's application. Below are the mandated objectives which must be addressed.

**Objectives and Activities:** For each objective, provide a quantified estimate of the services to be provided, discuss the manner in which those services will be provided, and the activities to be performed to support those services. The information provided for each objective must describe the source documentation collected and maintained to measure results and demonstrate proof of successful objective measurement (source documentation is defined as records used to validate project activities and achievements as pertaining to the objectives, e.g., intake logs, client files, progress notes, attendance rosters, sign-in sheets, etc.).

The mandated objectives for this grant are:

**Objective A:** Provide a 24-hour youth emergency telephone hotline accessible to youth in need.

**Objective B:** Provide referrals to youth who call the hotline to appropriate services to include shelter, meals, clothing, counseling, and other services necessary for their well-being.

**Objective C:** Provide telephone crisis counseling by trained volunteer or paid staff.

**Objective D:** Serve as a message center for runaway youth who wish to communicate with their parents or guardians.

## **B. PROJECT BUDGET**

The purpose of the project budget is to demonstrate how the recipient will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. The recipient may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the recipient should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to OES modifications and approval.

OES requires the recipient to develop a **line item** budget which will enable the project to meet the intent and requirements of the program, ensure the successful and cost effective implementation of the project. Failure of the recipient to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The recipient should refer to the *Recipient Handbook* at [www.oes.ca.gov](http://www.oes.ca.gov). Select "*Recipient Handbook, Appendices, and Forms*" for additional information concerning OES budget policy or to determine if specific proposed expenses are allowable. Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

Recipient Name	Funding Source	Amount	Total Project Cost
California Coalition for Youth	State General Fund	\$127,000	\$127,000

## 1. **Budget Narrative**

The recipient is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the recipient's proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- Proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- Mid-year salary range adjustments.

## 2. **Specific Budget Categories**

There is an Excel Workbook in *Recipient Handbook, Appendices and Forms* ([FORMS](#)) with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the amount of each line item and match in the correct column of the Budget Category form. The spreadsheet will add each addition and round off the nearest whole dollar. You may add extra rows if necessary, the spreadsheets total at the end of each budget category and total the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

### **a. Personal Services – Salaries/Employee Benefits (OES A303a):**

#### 1) **Salaries**

Personal services include services performed by project staff directly employed by the recipient and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the

recipient's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the recipient must be shown as participating staff (see *Recipient Handbook*, Section 4500) the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

## 2) Benefits

Employee benefits must be identified by type and percentage of salaries. The recipient may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the recipient.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

### **b. Operating Expenses (OES A303b):**

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (e.g., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the recipient, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the recipient must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during an OES site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

**c. Equipment (OES A303c):**

Equipment is defined as nonexpendable tangible personal property having ***a useful life of more than one year*** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

**C. APPLICATION APPENDIX**

The Application Appendix provides OES with additional information from the recipient to support components of the application. The following must be included:

- Operational Agreements: *OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed grant period.* This document must demonstrate a formal system of networking and coordination with other agencies and the recipient. A sample OA is provided in *Recipient Handbook, Appendices, and Forms* ([FORMS](#)).

**PART III – ADDITIONAL INFORMATION**

**A. FINALIZING THE GRANT AWARD AGREEMENT**

**1. Standard Project Funding Authority**

**Allocation of funds is contingent on the enactment of the State Budget.** OES does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

OES Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

**2. Grant Award Conditions**

OES may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by OES.

**3. Grant Award Agreements**

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the executed grant is received and the State Budget is finalized, the Report of Expenditures and Request for Funds (OES 201) may be submitted for reimbursement.

#### **4. Grant Award Amounts**

When the amount of funds available is limited, OES may reduce the amount of the grant award from the amount requested by the applicant. In addition, OES reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, OES will notify the applicant prior to executing the Grant Award Agreement.

### **B. ADMINISTRATIVE REQUIREMENTS**

#### **The Recipient Handbook (RH)**

The *Recipient Handbook* is accessible on the OES Internet website at [www.oes.ca.gov](http://www.oes.ca.gov) by selecting “*Recipient Handbook, Appendices and Forms*.” The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

#### **1. Internet Access (RH 11500)**

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

#### **2. Progress Reports and Data Collection (RH 10100)**

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, OES will review these records for accuracy and compare them with the reported data submitted on the progress reports.

#### **3. Monthly/Quarterly Report of Expenditures and Request for Funds (OES 201) (RH 6300)**

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (OES 201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form OES 201 will result in the withholding of funds and may result in the recommendation to OES' Executive Director for termination of the grant award.

#### **4. Technical Assistance/Site Visits (RH 10300)**

Funding projects are assigned an OES program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement.

Program specialists are available to assist the project in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

**5. Monitoring Requirements (RH 10400)**

A monitoring visit is an onsite assessment by OES staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

**6. Bonding Requirements (RH 2160)**

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to OES a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of OES-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, Governor's Office of Emergency Services" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

**7. Audit Requirements (RH 8100)**

Recipients must arrange for an independent audit of the grant award and may budget a portion of the audit costs. Instructions for budgeting funds for audit costs are outlined in the *RH* Section 2234.

**8. Copyrights, Rights in Data, and Patents (RH 5300)**

OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

**9. Source Documentation (RH 10111)**

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to

validate project activities and achievements as pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by OES detailing specific grant-related activities to achieve project objectives.

## **C. BUDGET POLICY**

This document summarizes information on OES Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at [www.oes.ca.gov](http://www.oes.ca.gov) by selecting “*Recipient Handbook, Appendices and Forms.*”

### **1. Supplanting Prohibited (RH 1313)**

Grant funds must be used to supplement existing funds for program activities and ***not replace*** funds appropriated for the same purpose. A written certification must be provided to OES indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1313 of the *Recipient Handbook*.

### **2. Project Income (RH 6610)**

Project income such as client fees and fees for services provided by the project (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

### **3. Contract and Procurement (RH 3400)**

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by OES program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which requires prior OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. OES will provide assistance in submitting a noncompetitive bid request if OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

### **4. Match Policies (RH 6500)**

There is no match requirement for the YT Program funds

## 5. **Travel Policies**

The following is OES' current travel policy:

### a. **Selection of Travel Policy (RH 2236)**

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

#### 1) Units of Government

Units of government may use their own written travel policy or the state policy.

#### 2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

### b. **State Travel Policy (RH 2236.2)**

Use the following state travel policy for budgeting travel expenses:

#### 1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for OES approval.

#### 2) Mileage

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

**b. Expert Witness Fees (RH 3710.2)**

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s). Include a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];

**10. Indirect Costs/Administrative Overhead (RH 2220)**

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

**11. Audits (RH 8150)**

**12. Equipment (RH 2300)**

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

**a. Allowable Expenses**

Equipment may be budgeted if it is essential to the implementation of the project and to be used solely for project activities. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by OES is required.

Equipment purchased in whole or in part with state or federal grant funds is the property of the state or the federal government. 3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The Recipient will be sent instructions for preparing the justification.

**c. Automobiles (RH 2331)**

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobiles usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by OES's program staff during a site visit, monitoring visit, and/or audit.
